

A “Must” to Assure Your Trash and Recycle Service for 2022.

In our recent community-wide trash service survey, 83% of respondents were in favor of once-per-week pickup for trash. Based on this feedback, we have negotiated a three-year contract, beginning in January 2022, **which provides once-per-week trash pickup on Fridays and a recycle option for Every-Other-Monday pickup.**

Out with the old...

We are giving notice to our current provider, Waste Management (GLS), to terminate Tradition’s contract (offered through an agreement arranged by Waccamaw Management and LBTS). **The current contract in force will expire at the end of this year (2021). We will notify you when Waste Management will pick up the old cans.**

In with the new!

We have contracted **Bill Floyd Services [BFS]** to begin Tradition’s trash and recycle service, effective January 2022. Trash pickup will be once a week on Fridays. Recycle will be picked up every other Monday.

Pickups for 2022 will begin the first week of January on Monday, Jan. 3 for recycle and Friday, Jan. 7 for trash.

Bill Floyd Service [BFS] is a locally owned family business located in Georgetown. This well-respected company has served County residents for over 25 years. Meet Bill Floyd, “The Garbage Man”, in his video online at www.billfloydservices.com.

Note: Do not sign up there. You must sign up through Tradition.

- **Once-per-week Trash Service will cost \$150.00 per year per household (Friday pickup).**
- **Every-Other-Monday Recycle Service will cost \$156.00 per year per household.**

These prices will remain the same for three (3) years.

Everyone contracted with BFS will receive a new, full size 95-gallon container for each service requested, trash and recycle. To assure your new containers, please sign up by October 20.

Kuester Management will invoice each property owner who signs up with Bill Floyd Services (BFS) for the annual payment. Tradition customers who register with (BFS) will receive their billing invoice from Kuester in November for your regular December dues payment. This one-time annual payment must be made by the same method you pay your monthly dues.

Rutledge Trash Service remains an alternative trash service for Tradition; they provide twice-weekly pickups for trash. Current subscribers with Rutledge remain under their individual contracts. **Anyone interested in this service should contact Rutledge directly.** They do not recycle.

And, of course, **“do it yourself”** is another option, by taking your trash to the County disposal center.

Those of you who sign up for the new BFS Trash and Recycle Service, recommended by the Tradition POA, must provide your name and address. You may sign up for trash only or for both Trash and Recycle, your choice.

It is very important that you sign up for BFS by October 20, 2021, in order to provide an accurate container count to BFS.

Choose among three ways to sign up:

1. To register online at Kuester Management: Scan this QR Code and follow the prompts.

2. Log onto Tradition29585.com and download the print application, fill it out and return to the mailbox next to the front door of the pool house.

3. A printed sign-up sheet will be placed in everyone's paper box. Fill it out and return to the mailbox next to the front door of the pool house.

We urge you to sign up for BFS before October 20, or you may find yourself without thrash service in January. An accurate count of the Tradition homes that want BFS is essential to planning a smooth transition for all.

Note:

We have received several calls that some of you are having trouble scanning the QR code in the Trash Registration Notice to register electronically for trash pick-up. If so, please either try the QR code again or click on the link below to submit your BFS Trash Registration electronically. Feel free to contact Kuester Support at support@kuester.com if you continue to have difficulty and we will do our best to assist.,
